

Congratulations!

It's time to plan your special day and we thank you for considering **Swank Desserts** to join you in the process!

We would love to make your special day even sweeter! We specialize in catering services for weddings and events including cakes, customizable dessert tables, and wedding favors. Our flavors aren't limited to what you see on our menu. If you have any desserts in mind that you do not see here, let us know and we will be more than happy to create a custom option to fit your needs.

Want Swank at your wedding or next event?

We highly recommend that you book with us at least 6 months prior to your wedding date to ensure availability and to allow plenty of time to finalize details. March-June and September - November are our busiest wedding months and our calendar tends to fill up quickly. We only take a limited number of weddings to provide the level of attention to detail that your special day deserves.

Once we have gathered all of the details of your event and solidified your menu, we will design a one-of-a-kind display that reflects your personality and also compliments the theme and style of your wedding.

To reserve your date, we'll need a non-refundable retainer fee =50% of the final order total and a signed contract. * Please note that an inquiry does not secure your date on our calendar.

Every event is different. Our products are available for pick-up or delivery and set up at your event location.

DELIVERY & SET UP

Our delivery and set up fee is based on mileage. There is a base rate of \$135 within a 15-mile radius of our shop. Each additional mile outside of that radius will be \$1/ mile.

Set up includes designing and arranging your items on cake stands or platters that you or your event designer have provided or that you have rented from our collection.

We will arrange and style the florals provided by your florist upon delivery or we can provide them for an additional fee.
